I Chelsie Pierce was heading up 20th St. from the tressel when I saw a car coming down the right side of me on Cavelero Rd to 71st Ave SE about 40-50 mph, I knew he was not going to stop at the stop sign so I went into the left lane to miss him because there was no one in that lane and his car came at full force and hit the back passenger door. As he hit me I spun around in the middle of the road. As I realized that the traffic was trying to go between me and his car, once the cars were gone I pulled my car over to his car to talk to him about what happened. As I was going to get out of the car the man driving was still trying to drive away. He said "I just have to get to the other side" I told him he was not leaving. He attempted to leave so I backed my car up so I blocked him in. He kept saying "I won't leave I just have to get to the other side". I then called 911 for help. I noticed a few minutes later I started to get some right shoulder pain to the lower back along with right side neck pain and a mild headache.

FOLLOW-UP REPORT

AGENCY NAME LAKE STEVENS POLICE DEPARTMENT	INCIDENT CLASSIFICATION Accident, Assist Law - DUI	INCIDENT NUMBER 13-02573
NAME OF VICTIM(S) Chelsie Pierce		

On 10/14/2013 at approximately 2110 hours, I responded to a report of an accident at the intersection of Cavalero Rd and 20th ST SE in the City of Lake Stevens. The 911 caller, Chelsie Pierce, reported there were no injuries but the other vehicle was attempting to leave the scene.

When I arrived on scene I observed two passenger cars on the south side of the intersection. A gold Honda baring Washington license AJC1881, was driver's side to the front of a dark gray Ford baring Washington license WE03924. The Honda showed damage to the passenger side and the Ford, the front end. Two males and a female were standing near the drivers doors.

The female, Chelsie Pierce, told me she was the driver of the Honda. The male standing next to her advised me that he had arrived on scene after the accident to check on Pierce because she had been on the phone with his wife when the accident occurred.

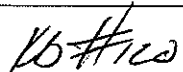

The other male, later identified by valid Washington driver's license as William J. Read (5/2/63) was standing next the Ford's drivers door. The Ford was running and the keys were in the ignition.

I walked up to Read and asked him what happened. He told me he was trying to go across 20th ST SE, that he lived in the neighborhood directly north of our location. It should be noted that Read had a stop sign while traffic on 20th St SE has the right of way with no traffic control in that intersection. I asked if he had seen the other car before entering the intersection. Read claimed he had but that she had slowed down and stopped. I asked if she had been making a turn. Read claimed that she had been making a left. I asked why he had entered the intersection if he had observed the other car approaching. He again explained that she had slowed down and that he was just going home and pointed across the street.

Pierce later informed me that she had been travelling east bound on 20th ST SE and had not slowed, stopped or made any indication of making a turn. She said her vehicle was struck by Read's as she passed the intersection. The impact spun her vehicle around. Traffic was still attempting to get around the accident scene so Read backed his vehicle up. She initially pulled up towards his driver's side but when he attempted to leave she backed her vehicle until it blocked his.

While speaking with Read I observed his eyes were very watery and bloodshot. Read swayed slightly while standing and appeared to lean away from me as he was speaking. Read's speech was slurred and I could smell a strong odor of alcohol coming from his breath. I asked Read where he was coming from. He told me he was coming from Snohomish. It should be noted that Cavalero Rd is not on a direct route from the City of Snohomish to Read's residence. I asked if he was visiting friends in Snohomish and he replied he was visiting his wife but did not elaborate. I then asked Read how much he had to drink tonight. Read responded "two beers".

I certify (or declare) under penalty of perjury under the laws of the State of Washington that the foregoing statement is true and correct.

FOLLOW-UP REPORT

<small>AGENCY NAME</small> LAKE STEVENS POLICE DEPARTMENT	<small>INCIDENT CLASSIFICATION</small> Accident, Assist Law - DUI	<small>INCIDENT NUMBER</small> 13-02573
<small>NAME OF VICTIM(S)</small> Chelsie Pierce		

I asked Read for his driver's license, registration and proof of insurance. Read opened the driver's door and sat down. He located his driver's license in his wallet and handing it to me. I waited for the other documents I had requested. Read just looked at me for about 20 seconds before asking me what else I needed. I told him again that I needed his registration and proof of insurance. Read opened a document case and then handed me his proof of insurance. He closed the document case and again looked at me. I told him again that I needed his vehicle registration. When Read opened the document case the first time I could clearly see at least 2 vehicle registration documents on top of the other papers. Read fumbled with the documents until I assisted by pointing out the registration.

I handed the documents to Officer Hingtgen who had since arrived on scene. At this time I suspected Read was possibly DUI and a request was made for WSP to respond to assist with the DUI investigation. Prior to WSP arrival, I asked Pierce to move her vehicle out of the roadway and onto the side of the road. I instructed Read to leave his vehicle where it was. WSP Trooper Axtman arrived on scene. While he was gathering preliminary information from me, Read got back into his car. Officer Hingtgen asked Read to shut off his engine, which Read did. However within minutes, Read had started his car again and appeared to be getting ready to leave the scene. I instructed Read to turn off his vehicle engine again and to give me the vehicle keys. Read complied.

The DUI investigation was turned over to Trooper Axtman while Officer Hingtgen completed the accident investigation.

I cleared the scene at 2213.

Nothing further.

I certify (or declare) under penalty of perjury under the laws of the State of Washington that the foregoing statement is true and correct.
